

HEY! Don't read this!

The Foster Conservation Commission

has openings! We could use some good people interested in making a difference.

Lies! All lies!

Look for more information in this issue of the FHJ to find out how to join.

Actually, I tore out that page!

The Foster Conservation Comm. takes part in great projects such as sponsoring Earth Day activities, stone wall preservation, designating scenic roads, preparing environmental impact assessments for proposed subdivisions, and most importantly, defeating

The TRASH RAT!

WHAT?!! I've done nothing!

Settle down, you!
