The TRASH RAT!

Just a few more waste chemicals and my mutation serum will be complete! Once consumed it will transform me into a MUTATED GIANT!

WHAT THE? Where did all the chemicals go?? They were here yesterday!

On January 5th, from 8:00 to 12 noon, you can drop off household hazardous waste at the Central Landfill in Johnston for **free**! Just make an appointment by calling 942-1430 ext. 241. You can check www.rirrc.org to see a complete list of hazardous materials. Get rid of the hazardous waste at your home and protect us all from the Trash Monster!

My dislike for you grows with each passing minute.
