Foster Town Council  
181 Howard Hill Rd  
Foster RI 02825

**RE: Foster Town Hall /Oil Furnace**

Town Council Members:

I have reviewed the only Heating Oil Furnace bid submitted for the Foster Town Hall and I feel the council should award the bid to Vincent Heating & Air, INC with a proposal for a model 58HS oil fired warm air furnace costing \$6,855.00.

Vincent Heating & Air, INC currently provides service and support for all the heating and air conditioning units located in the Foster Town Buildings. They have provided excellent service to our town.

Sincerely,

  
Joseph Cardillo  
Public Works Director
