Foster Town Council
181 Howard Hill Rd
Foster RI 02825

Dear Town Council Members:

We have requested equipment from the LESO Program for transfer of federal surplus equipment. As a result we were awarded a D7 Bulldozer in very good condition. This bulldozer will be immediately utilized to level land for the new Police Impound/Wash Bay and for excavation of land at the site of the proposed athletic field complex on Foster Center Rd. The total cost to the Town will be \$4500.00 for transportation from Fort Dix. Transport will be done by the local hauler used by the Town in the past, Flynn's towing. This is also the company used by personnel at Fort Dix.

We are requesting the council make these funds available and strongly recommend obtaining this piece of equipment worth approximately \$100,000.00.

Sincerely,

A handwritten signature in black ink, appearing to be 'Joseph Cardillo', written over a horizontal line.

Joseph Cardillo
