Mr. Cardillo,

The Foster Town Council would like to recognize you and your department for the instrumental assistance you provided the town's Volunteer Fire Departments in extinguishing the Plainfield Pike house fire on February 23, 2015. We are sure that without your willingness to step up and assist things could have been much worse. Again, thank you. Your assistance was well worth the time and investment and, on behalf of the Town Council, I want you to know that we really appreciate your efforts.

Sincerely,

John Lewis
