

MOOSUP VALLEY FIRE CO.

Chief Paul Cunniff

Moosup Valley Road Foster RI 02825

To: Foster Town Council Members,

The Moosup Valley Fire Co. recommends that the Town of Foster award the bid for the new fire engine to Rosenbauer of New England. The members of the Fire Co. have unanimously voted in support of Rosenbauer's proposal based on the fact that their proposal best matches the specifications set by the Fire Company. We also believe that the price quoted is the better deal for the Fire Company and the tax payers of the Town of Foster. I have also discussed the bid proposals with members of the engineering board and they agree that Rosenbauer's proposal is the best offer and would also recommend that they be awarded the bid for the engine.

Thank You

Paul Cunniff

Chief Moosup Valley Fire Co.
