RE: Recreation Field:

Processing of fire wood has been initiated, with the initial wood processed being delivered to Human Services to replenish their supply. Large lengths are being delivered to the DPW yard for future processing.

Stumps are being piled in separate area @ field for 3rd party disposal @ later date.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joseph Cardillo'. The signature is stylized with a large, sweeping flourish that extends to the right.
