Dear Peggy:

As you are aware, Providence Water provided a presentation of the Lease Exchange proposal to the public and Town Council at the May 26, 2016 Town Council meeting. Providence Water will not be attending or providing a presentation this evening. We are submitting the attached letter for tonight's (June 22, 2016) public meeting record. Please contact me if you have any questions - thank you.

Regards,
Carissa
