RE: Resignation

Dear Town Council Members:

Please accept this correspondence as official notification of my resignation as Foster Town Planner. My last day of work will be Thursday, July 24, 2014.

I want to thank the tax payers of the community for their unending support throughout my seven (7) years working here. During the tough times, it was their encouragement that kept me motivated to continue. I truly felt "adopted" by the Foster Community and a member thereof. I feel honored to have served the residents of Foster and am thankful for the many new friends I made over the years.

Also I want to say thank you to the other department heads and co-workers. They are a wonderful group of people and the Town of Foster is very fortunate to have them in their employ.

Finally, I want to say thank you to all of the volunteers within the Foster Community that have stepped forward to serve on the Planning Board and all other boards as well. I will miss working with the volunteers and wish them all the best in their future endeavors.

Sincerely,

A handwritten signature in cursive script that reads "Ann-Marie L. Ignasher". The signature is written in black ink and is positioned above the printed name.
