ZONING ORDINANCE AMENDMENT SUMMARY

Prohibited Uses

The amendment's intent is to revamp the regulations regarding prohibited uses to be more comprehensive and clear; specifically, to:

- Consolidate where possible
- Correct typos
- Update the wording for dumps
- Update the wording for sewage treatment facilities and incinerators
- Update exceptions for vehicle washing shops to take advantage of existing technology
- Reference associated regulations
- Agree with the Description of Uses (use table)
- Add language regarding permitted versus prohibited uses (to be mirrored in the Description of Uses)
